

## MAY USE THE MITIA

To Stop Prize Fight Between Jeffries and Ruhlman.

## SECOND DAY IN COURT

PROMOTERS CONTESTING EVERY MOVEMENT OF OPPOSITION.

Cincinnati, Feb. 6.—The second day of the Jeffries-Ruhlman prize fight case in court brought no indication as to when the hearing would be concluded. The state is making the most exhaustive effort to show that the two fights scheduled for this city on Feb. 15 would be a public nuisance under the provisions of the Ohio law, and on that ground a permanent injunction is sought. The promoters of the fight and their counsel are contesting every movement made by the state, and the claim to be upheld of the right of boxing contests under the permit of Mayor Johnston taken by Governor Nelson and other state officials since last Sunday and especially today.

The sale of seats, the main event of the day, was held at the city hall, and the seats for the first night, one week previous to the fight, have been sold out. It is evident that everything will be done to prevent the fight from being held. The only chance for the fight is in the decision of the judge. The judge will be called upon to decide whether the fight is a public nuisance or not. The judge will be called upon to decide whether the fight is a public nuisance or not. ## MILLIONS DEPOSIT

Savings Banks Burdened With Too Much Cash.

PAY \$200,000 INTEREST

DISCUSSING PROPOSITION TO REDUCE THE RATE.

The question of lowering the interest rate is one that the local bankers have been discussing for months past. The savings banks have for some years been allowing 4 per cent interest on deposits. The commercial banks allow no interest to the average depositor, but some of them issue interest-bearing certificates. The general feeling among the bankers of the city, especially those conducting savings banks, is that the rate of interest on deposits should be lower, but as deposits of this kind upon which interest is paid constitute so small a part of the business of the commercial banks that they are not worrily over the matter, and whatever is done in this direction must be done by the savings banks.

The Zion's Savings Bank has deposits to the amount of \$2,700,000, the Deseret Savings bank, \$1,200,000, and the other three banks that have savings departments—the Utah Commercial & Savings, the Utah Loan & Trust company and the Bank of Commerce—have not enough to raise the total to \$5,000,000. Much of this vast sum is now lying idle in the banks because it cannot be loaned out at 7 per cent or more, and the banks hold that they cannot pay 4 per cent on the deposits and the banks hold that they cannot pay 4 per cent on the deposits and the banks hold that they cannot pay 4 per cent on the deposits.

## How Joe Cannon's Sweetheart Joined the Mormons.

(Washington Dispatch to Chicago Inter-Ocean.)

Captain Robert Harrison of Lebanon, Ind., who brought the electoral vote of Indiana to Washington, sat in the private gallery of the house with Congressman Landis the other day. Congressman Cannon of Illinois was speaking on the naval bill, and Captain Harrison watched him with much interest. "He is the same old Joe Cannon," he remarked. "He speaks and acts just as he did when we were members of the same mock legislature at the old Quaker academy at Annapolis, Ind., way back in the '50s. He goes at his adversary with the same vim and vigor, and he is going to fight. He shakes his head in the same way, and he uses the same kind of homely but effective language. He has not changed a bit since he was a boy. He is the same old Joe Cannon." "What was her name before she was married, and what number is she—first, third, seventh or fourteenth?" Uncle Joe asked.

"She is number three, I believe," laughed the Mormon, and he proceeded to tell the story of how he met her. "Uncle Joe told the Mormon the story of his acquaintance with the lady, and he said that she was a very beautiful woman. She was a physician and a leader in Mormon circles. Do you know her?" "What was her name before she was married, and what number is she—first, third, seventh or fourteenth?" Uncle Joe asked.
